Jenny - Yes, they can attend, but they have to buy their own ticket.

Can you enlighten me on what happens during the  
> banquet? Will there be an opportunity to thank the corporate sponsors?

Jenny - It would probably be more appropriate to do it at the Friday  
night banquet when we will be thanking the Advisory Board members,  
etc. The Saturday night banquet is chock full of activities already  
and Roger would have to approve doing it. We could hang the  
corporate sponsor banner up for all of the banquets. Again, we would  
have to get Roger's approval.
